## Next Up - Drew Sidora

May 4th, 2009

Drew Sidora is a Chi-Town native that's made South Florida the new home for one of her many passions, music. This actress, singer/songwriter recently signed to Slip N Slide Records and is putting in work. Pursuing her passions, music and acting go hand in hand for her. Drew Sidora isn't new to the music game. She has been writing and recording music for almost decade and has her own collection of unheard tracks. After a preview of these tracks and a listening session with Miami's own Explicit, it's evident that Slip N Slide Records has a star on the roster.

Ms. Sidora wears many hats and has her eyes set on longevity in the entertainment industry. Not only a singer and songwriter but, she is also an actress. Many might recognize her as Chantel from "That's So raven" on Disney Channel. A few of movies and television shows she's been in are: "Girlfriends," "The Game," "Step Up," "Love Jones," "White Chicks," "Wild Hogs" and will appear in five more movies this year. You best believe she stays busy!

## Fashion - TopShop's Miami Collection

April 13th, 2009

London to NY..... Top shop opens its first US flagship store in NY. TopShop is a cool English store best known to us in the U.S. for its collabo's with Kate Moss.

What caught my eye most was their Miami Collection. Top Shop's interpretation of Miami Style takes it back to the 80's with the pastel parrot tank, blazers and vata de casas... circa el Mariel.

Check out the key pieces... [Click Here](#)
